Note on tuition costs:
Students in SLIS dual-degree programs may find variance in their tuition charges. There is not a standardized method of coding students in dual-degree programs. SLIS, the University Graduate School, the Law School, the School of Music, the School of Public and Environmental Affairs, the School of Journalism, and other academic units each charge different graduate tuition rates per credit hour. You will be coded in one school. If, as you near the half-way point in your dual degree program, you will contact either school (SLIS or your other unit), we can arrange to change your coding so that they second half of your degree will be charged at the other unit's tuition rate. Check with the Recorder of either school if you have questions.
